INVESTMENT STRATEGY:

The Fund would identify companies for investment, based on the following criteria amongst others:

- 1. Sound Management
- 2. Good track record of the company
- 3. Potential for future growth
- 4. Industry economic scenario
- 5. Strong Cashflows

Besides, it is expected that a portion of the funds will also be invested in initial offerings and other primary market offerings. Risk will be managed through adequate diversification by spreading investments over a wide range of companies.

The portfolio shall be structured so as to manage risk at acceptable levels. This shall be done through various measures including:

- 1. Broad diversification of portfolio
- 2. Ongoing review of relevant market, industry, sector and economic parameters
- 3. Investing in companies which have been researched

RCAM may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unit holders and if market conditions warrant it.

RISK MITIGATION FACTOR / RISK CONTROL:

Risk Control: Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification, taking care however not to dilute returns in the process.

The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, rigorous in depth credit evaluation of the securities proposed to be invested in will be carried out by the investment team of the AMC. The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by RBI and SEBI, in an attempt to protect the value of the portfolio and enhance Unit holders' interest.

RISK PROFILE OF THE SCHEME:

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

Scheme specific Risk: The scheme carries risk associated with investing in foreign equities, fixed income, derivatives and foreign securities, Bonds, securities Lending, Overseas Investments, Listing of units, repo in corporate bonds. Trading volumes and settlement periods may restrict liquidity in equity and debt investments.

Additional Risk factors in relation to the scheme having a tenor of 3 years:

The tenor of the scheme shall be 3 years from the date of allotment. The investor invests in such schemes with an expectation of generating wealth over a relatively longer term. This time period also enables the fund manager to invest a certain portion of the funds with a longer horizon (increasing the range of investment opportunities available to the Scheme). However, this horizon being farther into the future, also tends to be more unpredictable. Moreover, if liquidity in the units in the secondary market is limited, investors would be compelled to stay invested in the Scheme over a longer period of time.

Investment in Debt is subject to price, credit, and interest rate risk. The NAV of the Scheme may be affected, inter alia, by changes in currency, market conditions, interest rates, trading volumes, settlement periods and transfer procedures. The NAV may also be subject to risk associated with investment in derivatives, and foreign securities as may be permissible by the Scheme Information Document. Please refer Scheme Information Document for details.

3. Permanent Account Number (PAN)

SEBI has made it mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her permanent account number (PAN) irrespective of the amount of purchase. Where the applicant is a minor, and does not possess his / her own PAN, he/ she shall quote the PAN of his/ her father or mother or the guardian, signing on behalf of the minor, as the case may be. For Further details investors are requested to refer SAI.

4. Prevention of Money Laundering and Know Your Client (KYC)

In order to reduce hardship and help investors dealing with SEBI intermediaries, SEBI issued three circulars - MIRSD/SE/Cir-21/2011 dated October 05, 2011, MIRSD/Cir-23/2011 dated December 02, 2011 and MIRSD/Cir-26/2011 dated December 23, 2011 informing SEBI registered intermediaries as mentioned therein to follow, with effect from January 01, 2012, a uniform KYC compliance procedure for all the investors dealing with them on or after that date. SEBI also issued KYC Registration Agency ("KRA") Regulations 2011 and the guidelines in pursuance of the said Regulations and for In-Person Verification ("IPV").

the said Hegulations and for In-Person Verification ("IPV").

All investors (individual and non- individual) are required for KYC compliance. However, applications should note that minors cannot apply for KYC compliance and any investment in the name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also applicants/ unit holders intending, to apply for units currently holding units and operating their Mutual Fund folios through a Power of Attorney (PoA) must ensure that the issue of PoA and the holder of the PoA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA, Separate procedures are prescribed for change in name, address, and other KYC related details, should the applicant desire to change such information, POS will extend the services of effecting such changes.

In line with the SEBI circular No. MIRSD/Cir-5/2012 dated April 13, 2012 and various other guidelines issued by SEBI on the procedural matters for KYC Compliances, the Investors are requested to note the following additional provisions shall be applicable for "KYC Compliances" with effect from December 1, 2012:

- 1) In case of an existing investor of RMF and who is already KYC Compliant under the erstwhile centralized KYC with CVL (CVLMF) then there will be no effect on subsequent Purchase/Additional Purchase (or ongoing SIPs/STPs,etc) in the existing folios/accounts which are KYC compliant. Existing Folio holder can also open a new folio with Reliance Mutual Fund with the erstwhile centralized KYC
- 2) In case of an existing investor of Reliance Mutual Fund and who is not KYC Compliant as per our records, the investor will have to submit the standard KYC Application forms available in the website www.cvlkra.com along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase / new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission. This uniform KYC submission would a onetime submission of documentation.
- 3) Investors who have complied with KYC process before December 31, 2011 (KYC status with CVL-KRA as "MF VERIFIED BY CVLMF") and not invested in the schemes of Reliance Mutual Fund i.e not opened a folio earlier, and wishes to invest on or after December 01, 2012, such investors will be required to submit 'missing/not available' KYC information and complete the IPV requirements.

Updation of 'missing / not available' KYC information along with IPV is currently a one-time requirment and needs to be completed with any one of the mutual funds i.e. need not be done with all the mutual funds where investors have existing investments. Once the same is done then the KYC status at CVL-KRA will change to 'Verified by CVL KRA' after due verification. In such a scenario, where the KYC status canages to 'Verified by CVL KRA', investors need not submit the 'missing/not available' KYC information to mutual funds again.

Individual Investors are required to submit 'KYC Details Change Form' issued by CVL-KRA available on their website www.cvlkra.com.

In case of Non Individual investors, complied with KYC process before December 31, 2011, KYC needs to be done afresh due to significant and major changes in KYC requirements

Investors to provide the complete details in the KYC application form along with the required documents (for individual investors or non-individual investors as appropriate). The said form is available on RMF's website i.e. www.reliancemutual.com or on the website of Association of Mutual Funds In India i.e. www.amfiindia.com or on the website of any authorised KRA's.

- For Direct Investment Please Mention "Direct in the Column "Name & Broker Code/ARN"
- 6. Investors subscribing under Direct Plan of XYZ Fund will have to indicate the Scheme / Plan name in the application form as "XYZ Fund Direct Plan". Investors should also indicate "Direct" in the ARN column. In case ARN code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, ARN code will be ignored and the application will be processed under Direct Plan. If the investor does not mention Direct against the scheme name and the ARN code is also not provided the default allotment would be made in the Direct Plan.
