

Quadratic Financial Services Pvt Ltd

About Me

Quadratic Financial Services Pvt. Ltd. (QFSL) was formed in 2003, by two professionals having a collective experience of over 45 years in the financial markets.

The vision was to create a fine financial services organization for managing wealth for its clients using a simple and common sense driven asset allocation strategy backed with strong in-house fundamental research.

The organization is based on strong ethical values; it takes pride in providing impartial advice to its clients – all investment decisions are backed with research. Quadratic has its own research process in identifying quality funds / investment products which form part of the Quadratic Universe – This makes the process on investing very Simple, Transparent & Fact based. It defines its own service standards exceeding client expectations. This has created an enormous amount of client satisfaction – ensuring long term relationships.
