Plan HSBC Fixed Term Series 126 (1138 days Plan)

Investment Objective

To seek generation of returns by investing in a portfolio of fixed income instruments which mature on or before the maturity date of the Plan(s). However, there is no assurance or guarantee that the investment objective of the Plan will be achieved. The Plan does not assure or guarantee any returns.

Asset Allocation Pattern of the Plan

The asset allocation of HFTS 126 will be as follows:

Types of Instruments	Normal Allocation (% of Net Assets)	Risk Profile
Debt Instruments	80% - 100%	Low to Medium
Money Market Instruments	0% - 20%	Low to Medium

The Plan will not invest in securitized debt. The total exposure to Debt and Money Market Instruments will not exceed 100% of the net assets of the Plan(s).

Type of instruments with intended allocation

The Plan will invest predominantly in debt and money market instruments where interest rate risk is low to medium. The Fund Manager shall adopt the following allocation in the Plan with respect to the asset class of securities. The floors and ceilings within a range of 5% of the intended allocation against each sub asset class/credit rating will be as follows:

Security / Credit Rating of securities	A1 + * (%)	AAA** (%)	AA** (%)	A** (%)	Others (credit rating not applicable) (%)
Money market instruments					
CDs	_	_	_	_	_
CPs	_	_	_	_	_
CBLO, Reverse repo in government securities and treasury bills	_	_	_	_	0 - 5
Debt instruments					
NCD	_	60 - 65	35 - 40	_	_
Government securities	_	_	_	_	_

^{*} for short-term instruments

Notes:

- 1) The Plan under the Scheme will not invest into any unrated debt securities.
- 2) Securities with rating A and AA shall include A+ and A- and AA+ and AA- respectively.
- 3) All investments shall be made based on the rating prevalent at the time of investment. However, incase of an instrument having dual ratings, the most conservative publicly available rating would be considered.
- 4) Positive variation in investments towards higher credit rating in the same instrument shall be allowed.
- Incase of non-availability of NCDs/CPs as per the above allocation, the Plan will invest into PSU Bank CD and/or any other Bank CD with highest credit rating (A1+), and if such CDs are not available, investment will be made in CBLO/reverse repo in government securities or treasury bills. However, in these scenarios, there will be no dilution in the rating category as mentioned above. Such deviation may exist, till suitable NCDs/CPs of desired credit quality are not available.
- At the time of building up the portfolio post NFO and towards maturity of a Plan, there may be higher allocation to cash and cash equivalents.
- 7) During the tenure of the Plan, the above allocation may vary due to instances like (a) coupon inflow; (b) the instrument is called or bought back by the issuer (c) in anticipation of any adverse credit event etc. In case of such deviations, the Plan may invest in highest rated CDs (ie. A1+ or equivalent) / CBLOs/Reverse Repo and Repo in Government Securities or T-Bills, if suitable CPs / NCDs of desired credit quality are not available.
- 8) There will be no variation between the intended and final portfolio allocation in the Plan, subject to notes 4-7 above.
- 9) The Plan will not participate in repo in corporate debt securities.
- 10) The Plan will not engage in short selling of securities or securities lending and borrowing.
- 11) The Plan will not participate in Credit Default Swaps or invest in foreign securities.
- 12) The Plan will have no exposure to Derivative instruments.

Credit Evaluation Policy

With the aim of controlling risks, a credit evaluation of the instruments proposed to be invested in will be carried out by the Investment Team of the AMC. The credit evaluation process includes a study of the operating environment of the company, the past track record as well as the future prospects of the issuer, the short as well as long-term financial health of the issuer. The AMC will also be guided by the ratings of rating agencies such as CRISIL, CARE and ICRA or any other rating agency as approved by the regulators.

Sectors into which the Plan will not invest

Real estate and Airlines are identified sectors into which the Plan would not invest.

Investment Strategy of the Plan

The Plan will invest predominantly in debt and money market instruments where interest rate risk is relatively low to medium. The funds will be invested in a portfolio of debt and money market instruments maturing within the maturity date of the Plan. HFTS is a portfolio of securities with known maturity seeking to generate returns. As part of the portfolio strategy, there would be no security in the portfolio maturing at a date later than the maturity date, thus the average maturity of the Plan will always be equal to or lower than the tenure of the Plan. The Plan would invest only in such securities which mature on or before the date of the maturity of the Plan. However, the Fund Manager would aim to reinvest the proceeds from securities maturing before the maturity of the Plan. In case if reinvesting is not viable or the opportunities are not available in the market, the money will be parked into overnight instruments. The Scheme may invest in unlisted and / or privately placed debt securities subject to the limits indicated under "Investment Restrictions for the Scheme" prescribed in this SID, from issuers of repute and sound financial standing.

^{**} for long-term debt instruments

The Fund may invest a part of the portfolio in various debt securities issued by corporates and / or state and central government. Such government securities may include securities which are supported by the ability to borrow from the Treasury or supported only by India's sovereign guarantee or of the state government or supported by GOI / state government in some other way. Maturity of the Plan HSBC Fixed Term Series 126 - 1138 days from the date of allotment. The Plan will come to an end on its maturity date. On the maturity date of the Plan, all Units under the Plan will be compulsorily, and without any further act by the Unit Holders, redeemed at the Applicable NAV of that day and paid out on the next day of the maturity date. For the Units held in electronic form, the Units will be extinguished with the Depository as per the beneficiary position details received from the Depository and the redemption amount will be paid to the Unit Holders on the next day of maturity, at the prevailing NAV on that date.

Liquidity

In accordance with the SEBI circular dated December 11, 2008, every close-ended scheme (except Equity Linked Saving Scheme) shall be mandatorily listed on a recognized stock exchange. Accordingly, the Units of the Plan will be listed on the National Stock Exchange of India Ltd. (NSE), or any other recognized Stock Exchange(s), at the sole discretion of the AMC.

If the maturity date falls on a non-Business Day, the immediately succeeding Business Day will be considered

Being a close-ended Plan, subscription to the Units of the Plan will be permissible only during the New Fund Offer period (NFO). The Plan will not be open for ongoing subscriptions / switch ins. The Unit holders are given an Option to hold the Units by way of an Account Statement (physical form) or in Dematerialized (demat form).

The Units of the Plan can be purchased / sold on a continuous basis on NSE and/ or any other Stock Exchange(s) on which the Units are listed, during the trading hours like any other publicly traded stock. The price of the Units in the market will depend on demand and supply at that point of time. There is no minimum investment, although Units are purchased in round lots of 1.

The Units cannot be redeemed by the investors directly with the Fund until the maturity of the Plan and there will be redemption by the Fund only on the maturity of the Plan. However, investors who wish to exit/redeem before the maturity, may do so through stock exchange mode. Further, investors are requested to note that they should have a demat account to trade in the Units of the Plan.

Redemption options

Until maturity of the Plan, the Units cannot be redeemed by the investors directly with the Fund. Upon maturity, Unit Holders shall have the following options:

- Payment by cheque to the Unit Holder;

Dematerialization

Unit holders opting to hold the Units in demat form must provide their Demat Account details in the specified section of the application form. The Unit holder intending to hold the Units in demat form is required to have a beneficiary account with the Depository Participant (DP) (registered with NSDL / CDSL as may be indicated by the Fund at the time of launch of the Plan) and will be required to indicate in the application, the DP's name, DP ID Number and the beneficiary account number of the applicant with the DP at the time of purchasing Units during the NFO of the Plan.

In case Unit holders do not provide their Demat Account details, an Account Statement shall be sent to them. Such investors will not be able to trade on the stock exchange till the holdings are converted in to demat form. Investors opting to hold Units in demat form should furnish Bank Account details linked with their demat account.

Further, Unit holders holding Units by way of account statement intending to get their Units dematerialized may submit the Dematerialization Request Form (DRF) to the DP.

Risk Profile of the Plan

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

- Risk factors associated with listing of Units on the stock exchange.
- There have been times in the past, when settlements have been unable to keep pace with the volume of securities transactions, making it difficult to conduct further transactions.
- The liquidity and valuation of the Scheme's investments due to its holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment.
- Price-Risk or Interest Rate Risk: As with all debt securities, changes in interest rates may affect the NAV of the Plan under the Scheme as the prices of securities increase as interest rates decline and decrease as interest rates rise.
- Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near
 to its valuation yield-to-maturity (YTM).
- Credit Risk: Credit risk or default risk refers to the risk that an issuer of a fixed income security may default. Any losses in case of a default by an issuer will be borne by the investor.
- Concentration Risk: As the debt market in India is not so matured, there is a possibility of having high exposures to 4 to 5 issuers. Further, the investors could also be exposed to group level risks resulting from an aggregation of issuers associated with the same group.
- Reinvestment Risk: This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- Benchmark Risk: Currently, majority of the issuance of floating rate papers is linked to NSE MIBOR.
 The fewer number of benchmark rates could result in limited diversification of the benchmark risk.
- Different types of securities in which the Scheme would invest as given in the SID carry different levels and types of risk. Accordingly the Scheme's risk may increase or decrease depending upon its investment pattern.

Duration Risk: Duration is a risk measure used to measure the bond / security price changes to potential changes in interest rates. The higher the duration of the portfolio, the greater the changes in value (i.e. higher risk) to movement in interest rates. Prepayment Risk: The risk associated with the early unscheduled return of principal on a fixed-income security. The early unscheduled return of principal may result in reinvestment risk Indicative yield/portfolio: The AMC and/or its empanelled distributors have not and shall not give Scheme's indicative portfolio/yield in any communication or any manner, whatsoever. Investors are advised not to rely on any communication of indicative portfolio/ yield with regard to Scheme's investments. Legal, tax and regulatory risk: Changes in legal, tax & regulatory regime may adversely affect the Scheme or its investors, wherein such changes could also have retrospective effect leading to additional taxation imposed on the Scheme which was not contemplated either when investments were made, valued or disposed off. In the event of restructuring/re-scheduling of debt/money market instruments held in the portfolio resulting in maturity of the instruments going beyond the scheme maturity date, the Fund Manager may be constrained to sell these at realizable value and pass on the impact to investors in the scheme. Please refer the Scheme Information Document of HFTS 126 for detailed risk factors. Growth and Dividend Payout options under both Regular and Direct Plan. Any subsequent change/updation/removal of broker code will be based on the written request from the Unit holder and will be on a prospective basis only from the date when the Registrar executes such written instruction.

Employee Unique Identification Number (EUIN): SEBI circular CIR/IMD/DF/21/2012 dated September 13, 2012, required creation of a unique identity number of the employee/ relationship manager / sales person of the distributors interacting with the investor for the sale of mutual fund products, in addition to the AMFI Registration Number (ARN) of the distributor. This has been recommended by SEBI in order to avoid any instance of mis-selling, particularly in advisory based transactions. This would further help tackle the problem of mis-selling even if the employee/relationship manager/sales person leave the employment of the distributor. Due to this regulatory change, all employees of distributors who are involved in sale of mutual fund products are required to obtain an Employee Unique Identification Number (EUIN). Instructions for filling up the Application Form

Background:

In its continuing endeavour to make the existing New Fund Offer process more efficient, SEBI introduced a supplementary process of applying in New Fund Offer, viz: the "Applications Supported by Blocked Amount (ASBA)" process. Accordingly, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended have been amended for ASBA process. The salient features of circular no. SEBI/CFD/DIL/ASBA/1/2009/30/12 dated December 30, 2009 available on SEBI website for "Additional mode of payment through Applications Supported by Blocked Amount (hereinafter referred to as "ASBA") are mentioned below for understanding the ASBA process:

- Meaning of ASBA: ASBA is an application for subscribing to a New Fund Offer (NFO), containing an authorisation to block the application money in a bank account.
- 2. Self Certified Syndicate Bank (SCSB): SCSB is a banker to an issue registered with the SEBI which offers the facility of applying through the ASBA process. The list of SCSBs will be displayed by SEBI on its website at www.sebi.gov.in from time to time. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs displayed on SEBI's website. Investors maintaining their accounts in any of these Banks may approach one of the designated branches of these SCSBs for availing this facility. Further it may be noted that from time to time new banks register themselves as SCSBs who become eligible to provide these services and also the existing SCSBs designate additional branches that also provide this facility. An updated list of all the registered SCSBs, their controlling branches, contact details and details of their contact persons, a list of their designated branches which are providing such services is available on the website of SEBI at the address http://www.sebi. gov.in. Further these details are also available on the websites of the Stock Exchanges at http://www.bseindia.com and http://www. nseindia.com. Alternatively, investors may also contact the AMC, R&TA for information about the SCSBs or the ASBA process. These SCSBs are deemed to have entered into an arrangement with the Issuer and shall be required to offer the ASBA facility to all its account holders for all issues to which ASBA process is applicable. An SCSB shall identify its Designated Branches (DBs) at which an ASBA Applicant shall submit ASBA and shall also identify the Controlling Branch (CB), which shall act as a coordinating branch for the Registrar to the Issue, Stock Exchanges and Merchant Bankers. The SCSB, its DBs and CB shall continue to act as such, for all issues to which ASBA process is applicable. The SCSB may identify new DBs for the purpose of ASBA process and intimate details of the same to SEBI, after which SEBI will add the DB to the list of SCSBs maintained by it. The SCSB shall communicate the following details to Stock Exchanges for making it available on their respective websites. These details shall also be made available by the SCSB on its website: (i) Name and address of the SCSB (ii) Addresses of DBs and CB and other details such as telephone number, fax number and email ids. (iii) Name and contact details of a nodal officer at a senior level from the CB.
- 3. Eligibility of Investors: An Investor shall be eligible to apply through ASBA process, if he/she:
 - iis a "Resident Retail Individual Investor, Non Institutional Investor, QIBs, Eligible NRIs applying on non-repatriation basis, Eligible NRIs applying on repatriation basis i.e. any investor,
 - (ii) is applying through blocking of funds in a bank account with the SCSB; Such investors are hereinafter referred as "ASBA Investors".
- 4. ASBA Facility in Brief: Investor shall submit his / her Application through an ASBA Application Form, either in physical or electronic mode, to the SCSB with whom the bank account of the ASBA Investor or bank account utilised by the ASBA Investor ("ASBA Account") is maintained. The SCSB shall block an amount equal to the NFO application Amount in the bank account specified in the ASBA Application Form, physical or electronic, on the basis of an authorisation to this effect given by the account holder at the time of submitting the Application. The Application Amount shall remain blocked in the aforesaid ASBA Account until the Allotment in the New Fund Offer and consequent transfer of the Application Amount against the allocated Units to the Issuer's account designated for this purpose, or until withdrawal/failure of the Offer or until withdrawal / rejection of the ASBA Application, as the case may be. The ASBA data shall thereafter be uploaded by the SCSB in the electronic IPO system of the Stock Exchanges. Once the Allotment is finalised, the R&TA shall send an appropriate request to the Controlling Branch of the SCSB for unblocking the relevant bank accounts

and for transferring the amount allocable to the successful ASBA Applicants to the AMC account designated for this purpose. In case of withdrawal/Rejection of the Offer, the R&TA shall notify the SCSBs to unblock the blocked amount of the ASBA Applicants within one day from the day of receipt of such notification.

5. Obligations of the AMC: AMC shall ensure that adequate arrangements are made by the R&TA to obtain information about all ASBAs and to treat these applications similar to non-ASBA applications while allotment of Units, as per the procedure specified in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Investors are requested to check with their respective banks about the availability of the ASBA facility.
