The Trustees, AMC, Fund their directors or their employees shall not be liable for any tax consequences that may arise.</li> <li>• The tax benefits described in the SAI &amp; SID are as available under the present taxation laws and are available subject to relevant condition. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Investors and Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As in the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of the investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor / Unit holder is advised to consult his/her/its own professional tax advisor.</li> <li>• Sundaram Long Term Micro Cap Tax Advantage Fund Series IV would be investing in equity &amp; equity related instruments, debt and money market instruments (such as term/notice money market, repos, reverse repos and any alternative to the call money market as may be directed by the RBI). The liquidity of the scheme's investments is inherently restricted by trading volumes and settlement periods. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees have the right in their sole discretion to limit redemptions (including suspending redemptions) under certain circumstances.</li> <li>• The Mutual Fund is not assuring any dividend nor is it assuring that it will make any dividend distributions. All dividend distributions are subject to the availability of distributable surplus and would depend on the performance of the scheme.</li> <li>• Redemption of units under the Scheme available only after a three year lock-in period from the date of allotment of units</li> <li>• Micro-cap stocks are generally illiquid in terms of trading volumes; investors should assume that liquidity risks are higher. This may result in higher impact costs. Impact costs are those costs that are incurred for acquiring and disposing off stocks. These are different from brokerage and custodian charges. The Scheme does not guarantee that impact cost will be minimized or eliminated.</li> <li>• Transparency/liquidity levels may not be on par with established, large companies. Corporate governance may be an issue with some companies. They may not be resilient enough to withstand shocks of business/economic cycles.</li> <li>• While micro cap companies may offer substantial opportunities for capital appreciation, there are also at least commensurate risks. Historically, these companies have been more volatile in price than larger company securities, especially over the short term. Among the reasons for the greater price volatility are the less certain growth prospects of smaller companies, the lower degree of liquidity in the markets for such securities, lack of transparency and the greater sensitivity of smaller companies to changing economic conditions.</li> <li>• In addition, micro-cap companies may lack depth of management, be unable to generate funds necessary for growth or development, or be developing or marketing new products or services for which markets are not yet established and may never become established. They could also suffer from disadvantages such as outdated technology, lack of bargaining power with suppliers, low entry barriers and inadequate management depth.</li> </ul>

1. **Applications Supported by Blocked Amount or ASBA facility:** An application containing an authorization given by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO (New Fund Offer) of a Scheme. If an investor is applying through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units.

It is an additional payment option that the investor can use in addition to the existing modes (Cheque/Demand Draft etc) for buying Units during NFO. It is available only to individuals. It is not available for subscribing to Units on an ongoing basis after the NFO. For availing this option the bank, where the investor has an account, should be a Self Certified Syndicate Bank (SCSB)

2. **"Controlling Branches (CBs) of the Self Certified Syndicate Banks (SCSB):** Controlling Branches (CBs) are the branches of the SCSBs acting as coordinating branches for the Registrar and Transfer Agent of Sundaram Mutual Fund schemes, the AMC and the Stock Exchange(s) for the ASBA facility offered during the NFO period.
3. **"Designated Branches (DBs) of the SCSBs:** Designated Branches (DBs) are the branches of the SCSBs which shall collect the ASBA Application Forms duly filled by the Investors towards the subscription to the Units of the Scheme offered during the NFO. The list of these Designated Branches is available at <http://www.sebi.gov.in/pmd/scsb.pdf> and [www.sundarammutual.com](http://www.sundarammutual.com)
4. **"Self Certified Syndicate Bank" or SCSB:** Self Certified Syndicate Bank/ SCSB means a bank registered with SEBI to offer the facility of applying through the ASBA process. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs as displayed by SEBI on its website at [www.sebi.gov.in](http://www.sebi.gov.in).
5. **The ASBA facility during NFO:** In respect of New Fund Offer (NFO) of Schemes/Plan(s) launched on or after October 1, 2010, an investor (being an Individual) can subscribe to the NFO through Applications Supported by Blocked Amount (ASBA) facility by applying for the Units offered in the ASBA Application Form and following the procedure as prescribed in the form. For details please refer to the Section "Applications Supported by Blocked Amount (ASBA) facility, below and also the Application Form/KIM of the Scheme

**Applications Supported by Blocked Amount (ASBA) facility:** Pursuant to SEBI Circular dated SEBI/MD/CIR No 18 /198647 /2010 March 15, 2010, an investor can subscribe to the New Fund Offer (NFO) launched on or after October 1, 2010 through ASBA facility by applying for the Units in the ASBA Application Form and following the procedure as prescribed in the form.

ASBA is an application containing an authorization given to the Bank by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO of the Scheme of Sundaram Mutual Fund. Thus, for an investor who applies through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units. The blocked amount cannot be withdrawn and will earn interest as per account terms applicable. It may be noted that since ASBA Facility is pursuant to an arrangement between the Investor and his /her Bank, Sundaram Mutual Fund. or its Trustee/AMC/ its Employees/Directors will not be responsible for any delay, error or omission/commission, or deficiency if any, on the part of the Investor's Bank.

#### Benefits of Applying through ASBA facility

- (i) Writing cheques / demand drafts and sending them for collection etc are not required, as investor needs to submit ASBA application Form accompanying an authorization to block the account to the extent of application money towards subscription of Units. The balance money, if any, in the account can be used for other purposes by the investors.
- (ii) Release/Unblocking of blocked funds after allotments done instantaneously.
- (iii) Unlike other modes of payment, ASBA facility prevents the loss of interest income on the application money towards subscription of Units as it remains in the bank account of the investor till the allotment is made.
- (iv) Refunds of money to the investors do not arise as the application money towards subscription of Units gets transferred only to the extent of amount payable for the actual allotment
- (v) The investor deals with the known intermediary i.e. his/her own bank.
- (vi) The application form is simpler as the application form for ASBA will be different from the NFO application form.

#### ASBA Procedure:

- (a) An Investor intending to subscribe to the Units of the NFO through ASBA, shall submit a duly completed ASBA Application Form to a Self Certified Syndicate Bank (SCSB), with whom he/she has a Bank Account.

- (b) The ASBA Application Form towards the subscription of Units can be submitted through one of the following modes.
  - a. Submit the form physically with the Designated Branches (DBs) of the SCSB ("Physical ASBA"); or
  - b. Submit the form electronically through the internet banking facility offered by the SCSB ("Electronic ASBA").
- (c) An acknowledgement will be given by the SCSB in the form of the counter foil or specifying the application number for reference. (Note: Such acknowledgement does not guarantee, in any manner that the investors will be allotted the Units applied for.: Further, if the bank account specified in the ASBA Application Form does not have sufficient credit balance to meet the application money towards the subscription of Units, the Bank shall reject the ASBA Application form.)
- (d) On acceptance of Physical or Electronic ASBA, the SCSB shall block funds available in the bank account specified to the extent of the application money specified in the ASBA Application Form.
- (e) The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application.
- (f) SCSBs shall unblock the bank accounts (i) for Transfer of requisite money to the NFO bank account against each valid application on allotment or (ii) in case the application is rejected.
- (g) **For the scheme HDFC Bank Limited has consented to process the ASBA application form.**

*Note: No request for withdrawal of ASBA application form made during the NFO Period will be allowed.*
