General Risk Factors

Mutual Fund Investments are subject to market risks. Read all scheme related documents carefully before investing. Copy of the Scheme Information Document, key information memorandum and application form may be obtained from the offices / investor service centres of Sundaram Asset Management, its distributors and online at www.sundarammutual.com. All mutual funds and securities investments are subject to market risks, and there can be no assurance or guarantee that fund's objectives will be achieved. NAV may go up or down, depending on the factors and forces affecting the securities market. Main risk types are market risk, liquidity risk, credit risk and systemic risks. At times, liquidity of investments may be impaired. There is uncertainty of dividend distribution and risk of capital loss. Past performance of the Sponsor/Asset Management Company/Fund does not indicate the future performance. Investors in the Scheme are not being offered any guaranteed or indicated returns. Sundaram Top 100-Series-VI is only the name of the scheme and it does not in any manner indicate either quality of the scheme, its future prospects or returns.

Risk Factors - Equity Markets: Stock Market Volatility, Equity Price Risk, Dependency Risk, Temporary Investment Risk and Non-Diversification Risk and Concentration Risk, to name a few.

Risks from Debt Exposures: Credit Risk, Interest Rate Risk, Price Risk, Market Risk, Liquidity Risk, Investment Pattern Risk, Duration Risk and Non-Diversification Risk, to name a few.

Scheme-Specific Risk Factors

• The Schemes will invest only in the investment universe of companies specified by RGESS. Accordingly, the NAV of the Schemes is linked to the share price performance of such companies. Such companies may outperform or underperform the benchmark index and/or the constituents of the said benchmark index. • Equity investments by nature are volatile and prone to price fluctuations on a daily basis due to both macro and micro factors. • The NAVs of schemes investing in equity will fluctuate as the daily prices of the individual securities in which they invest fluctuate and the units when redeemed may be worth more or less than their original cost. • The value of the Scheme's investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or policies of any appropriate authority and other political and economic developments and closure of stock exchanges which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the units of the Scheme may fluctuate and can go up or down. • In respect of investments in equity, there may be risks associated with trading volumes, settlement periods and transfer procedures that may restrict liquidity of investments in equity securities. In the event of inordinately large number of redemptions or of a restructuring of the schemes' investment portfolio, there may be delays in the redemption of units. • Within the regulatory limits, the Fund Manager may choose to invest in unlisted eligible securities. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. This may however increase the risk of the portfolio. The liquidity and valuation of the schemes investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of disinvestments. • Investment made in unlisted stocks may only be realizable upon listing of these securities. • Settlement problems could cause the Schemes to miss certain investment opportunities. • Investors may note that Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with anticipated trends. Though the constituent stocks of most indices are typically liquid, liquidity differs across stocks. • Due to the heterogeneity in liquidity in the capital market segment, trades on this segment may not get implemented instantly.

Central KYC

Central KYC Registry is a centralized repository of KYC records of customers in the financial sector with uniform KYC norms and inter-usability of the KYC records across the sector with an objective to reduce the burden of producing KYC documents and getting those verified every time when the customer creates a new relationship with a financial entity. KYC means the due diligence procedure prescribed by the Regulator for identifying and verifying the proof of address, proof of identity and compliance with rules regulations, guidelines and circulars issued by the Regulators or Statutory Authorities under the Prevention of Money Laundering Act, 2002.

The Central Govt. vide notification dt. Nov, 26, 2015 has authorised Central Registry of Securitisation Asset Reconstruction and Security Interest of India (CERSAI) to act as and to perform the functions of the CKYC Registry including receiving, storing, safeguarding and retrieving the KYC records in digital form of a Client. A 14 digit CKYC identification Number (KIN) would be issued as identifier of each client.

As per PMLA (Maintenance of Records) Amendment rules, 2015, Rule 9(IA), every reporting entity shall within three days after the commencement of an account based relationship with an individual, file the electronic copy of the client's KYC records with the Central KYC Registry. Institutions need to upload the common KYC template along with the scanned copy of the certified supporting documents (Pol/PoA), cropped signature and photograph. SEBI vide its circular dated November 10, 2016 has advised all mutual funds to upload the KYC records of all existing customers into the CKYC database.

Since the records are stored digitally, it helps intuitions de-duplicate data so that they don't need to do KYC of customers multiple times. It helps institutions find out if the client is KYC compliant based on Aadhaar, PAN and other identity proofs. If the KYC details are updated on this platform by one entity, all other institutions get a real time update. Thus, the platform helps firms cut down costs substantially by avoiding multiplicity of registration and data upkeep.

Please note that PAN is mandatory for investing in MF's (Except Micro KYC and other exempted scenarios). If CKYC is done without submission of PAN, then he/she will have to submit a duly self-certified copy of the PAN card alongwith

First time investing Financial Sector (New investor) New to KRA-KYC: while on boarding investors who are new to the MF & do not have KYC registered as per existing KRA norms, such investors should fill up CKYC form (attached). This new KYC form is in line with CKYC form guidelines and requirements and would help to capture all information needed for CKYC as well mandatory requirements for MF. Investors should submit the duly filled form along with supporting documents, particularly, self-certified copy of the PAN Card as a mandatory identity proof. If prospective investor submits old KRA KYC form, which does not have all information needed for registration with CKYC, such customer should either submit the information in the supplementary CKYC form or fill the CKYC

Investors who have obtained the KIN through any other financial intermediary, shall provide the 14 digit number for validation and updating the KYC record.

Switch of all units on Maturity of the Scheme:** This facility can be availed by the investors to switch all their units from this scheme, upon maturity, into any other scheme(s) of Sundaram Mutual. Investors are requested to note that this facility shall be available only for those who hold the units of the scheme in physical mode.

The investor can also opt for this facility at any time before the maturity of the scheme using a designated form. The switch-out transaction will be processed based on the applicable Net Asset Value on the date of maturity. Switch-out carried out by the Mutual Fund in accordance with this option chosen by the investor shall be deemed to be redemption from the scheme at the time of maturity and subsequently be deemed as subscription to the other scheme as may be chosen by the investor.

As a default option, the units shall be redeemed at maturity if the investor does not specifically choose to switch-out to any other scheme by using this facility. The AMC/Trustee reserves the right to change the features, terms and conditions of this facility in addition to withdrawing this facility at a later date.

- 10. Nomination: Please indicate a nominee who should be entitled to the benefits of your investment in the event of an untoward development. Proportion (%) in which units will be shared by each nominee should aggregate to 100%. The section on Nomination is not applicable in the case of Non- individuals. The following points on nomination procedures may please be noted. For detailed procedure, please refer the Statement of Additional Information (SAI):
- (i) Where a folio has joint holders, all joint holders should sign the request for nomination/ cancellation of nomination, even if the mode of holding is not "joint". Nomination form cannot be signed by Power of attorney (PoA) holders.
- (ii) Nomination shall be compulsory for new folios/accounts especially where the mode of holding is single. Investors who do not wish to nominate must sign confirming their non-intention to nominate. Every new nomination for a folio/account will overwrite the existing nomination.
- (iii) Nomination shall not be allowed in an account/folio held on behalf of a minor.

Where the nominee is a minor, various documents like KYC, PAN, Bank details, Indemnity, etc. should be of the guardian of the nominee.

11. Declaration, Certification & Signature: Signature can be in English or in any Indian language. Thumb impressions must be attested by a Magistrate / Notary Public under his/her official seal. In case of HUF, the signature of the Karta and Karta of HUF seal/stamp are a must. If the application is in joint name, all applicants must sign the form. Please ensure that the signature is consistent not just in this form but in all transaction request documents you may submit subsequent to your investment. Variation in signature can lead to delays or rejection of a transaction request such as redemption, switch, change in address and change in bank mandate, to name a few.

Applications Supported by Blocked Amount

1. Applications Supported by Blocked Amount or ASBA facility: An application containing an authorization given by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO(New Fund Offer) of a Scheme. If an investor is applying through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units.

It is an additional payment option that the investor can use in addition to the existing modes (Cheque/Demand Draft etc) for buying Units during NFO. It is available only to individuals .It is not available for subscribing to Units on an ongoing basis after the NFO. For availing this option the bank, where the investor has an account, should be a Self Certified Syndicate Bank (SCSB)

- "Controlling Branches (CBs) of the Self Certified Syndicate Banks (SCSB): Controlling Branches (CBs) are the branches of the SCSBs acting as coordinating branches for the Registrar and Transfer Agent of Sundaram Mutual Fund schemes, the AMC and the Stock Exchange(s) for the ASBA facility offered during the NFO period.
- 3. "Designated Branches (DBs) of the SCSBs: Designated Branches (DBs) are the branches of the SCSBs which shall collect the ASBA Application Forms duly filled by the Investors towards the subscription to the Units of the Scheme offered during the NFO. The list of these Designated Branches is available at http://www.sebi.gov.in/pmd/scsb.pdf and www.sundarammutual.com
- 4. "Self Certified Syndicate Bank" or SCSB: Self Certified Syndicate Bank/ SCSB means a bank registered with SEBI to offer the facility of applying through the ASBA process. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs as displayed by SEBI on its website at www.sebi.gov.in.
- 5. The ASBA facility during NFO: In respect of New Fund Offer (NFO) of Schemes/Plan(s) launched on or after October 1, 2010, an investor (being an Individual)can subscribe to the NFO through Applications Supported by Blocked Amount (ASBA) facility by applying for the Units offered in the ASBA Application Form and following the procedure as prescribed in the form. For details please refer to the Section" Applications Supported by Blocked Amount (ASBA) facility, below and also the Application Form/KIM of the Scheme

Applications Supported by Blocked Amount (ASBA) facility: Pursuant to SEBI Circular dated SEBI/IMD/CIR No 18 /198647 /2010 March 15, 2010, an investor can subscribe to the New Fund Offer (NFO) launched on or after October 1,2010 through ASBA facility by applying for the Units in the ASBA Application Form and following the procedure as prescribed in the form.

ASBA is an application containing an authorization given to the Bank by the Investor to block the application money in his/her specified bank account towards the subscription of Units offered during the NFO of the Scheme of Sundaram Mutual Fund. Thus, for an investor who applies through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units. The blocked amount cannot be withdrawn and will parn interest as per account terms applicable. It may be noted that since ASBA Facility is pursuant to an arrangement between the Investor and his /her Bank, Sundaram Mutual Fund. or t its Trustee/AMC/ its Employees/Directors will not be responsible for any delay, error or omission/commission, or deficiency if any, on the part of the Investor's Bank.

Benefits of Applying through ASBA facility

- (i) Writing cheques / demand drafts and sending them for collection etc are not required, as investor needs to submit ASBA application Form accompanying an authorization to block the account to the extent of application money towards subscription of Units. The balance money, if any, in the account can be used for other purposes by the investors.
- (ii) Release/Unblocking of blocked funds after allotments done instantaneously.
- (iii) Unlike other modes of payment, ASBA facility prevents the loss of interest income on the application money towards subscription of Units as it remains in the bank account of the investor till the allotment is made.
- (iv) Refunds of money to the investors do not arise as the application money towards subscription of Units gets transferred only to the extent of amount payable for the actual allotment
- (v) The investor deals with the known intermediary i.e.his/her own bank.
- (vi) The application form is simpler as the application form for ASBA will be different from the NFO application form.

ASBA Procedure:

(a) An Investor intending to subscribe to the Units of the NFO through ASBA, shall submit a

- duly completed ASBA Application Form to a Self Certified Syndicate Bank (SCSB), with whom he/she has a Bank Account.
- (b) The ASBA Application Form towards the subscription of Units can be submitted through one of the following modes.
 - Submit the form physically with the Designated Branches (DBs) of the SCSB ("Physical ASBA"); or
 - Submit the form electronically through the internet banking facility offered by the SCSB ("Electronic ASBA").
- (c) An acknowledgement will be given by the SCSB in the form of the counter foil or specifying the application number for reference. (Note: Such acknowledgement does not guarantee, in any manner that the investors will be allotted the Units applied for.: Further, if the bank account specified in the ASBA Application Form does not have sufficient credit balance to meet the application money towards the subscription of Units, the Bank shall reject the ASBA Application form.)
- (d) On acceptance of Physical or Electronic ASBA, the SCSB shall block funds available in the bank account specified to the extent of the application money specified in the ASBA Application Form.
- (e) The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application.
- (f) SCSBs shall unblock the bank accounts (i) for Transfer of requisite money to the NFO bank account against each valid application on allotment or (ii) in case the application is rejected.
- (g) For the scheme HDFC Bank Limited has consented to process the ASBA application form

Note: No request for withdrawal of ASBA application form made during the NFO Period will be
