**Investment Strategy**

The investment objective of the scheme is to generate capital appreciation by investing predominantly in equity and equity-related securities with a focus on riding business cycles through dynamic allocation between various sectors and stocks at different stages of business cycles in the economy.

The Fund would follow top-down approach of portfolio construction to identify stages of business cycle, sector opportunities and subsequently using bottom up approach to identify strong companies within those sectors. The portfolio is therefore likely to be focused on few selected sectors which are likely to do well in a particular business cycle. Subsequently, for identifying companies within those sectors, the portfolio construction will be based on bottom-up stock picking using the Business, Management and Valuation (BMV) model. The Fund Manager will evaluate the business environment that a company operates in, the capability of the management to execute and scale up the business and valuation of the company based on fundamentals like discounted cash flows and PE ratios, etc.

The Scheme would aim to follow the business cycle approach to investing by identifying such economic trends and investing in the sectors and stocks that are likely to outperform at any given stage of the business cycle in the economy. The fund manager will consider various economic parameters (like corporate profit growth trend, GDP growth, Current Account Deficit, fiscal deficit, interest rates, inflation etc.), investment indicators (like investment in capex, capacity utilization, credit growth, etc.), business and consumer sentiment which are leading economic indicators (purchasing manager index, business confidence index, sales of various consumer discretionary products, etc.) to decide on the expansion or contraction phase in addition to other parameters.

A business cycle is basically defined in terms of periods of expansion and contraction. Given below is an example of how the focus on sectors changes during different stages of the economic cycle.

During an early cycle or expansion stage which sees broad based rise in economic growth cash rich cyclicals & rate sensitives such as Metals, Power, Infra, Capital goods, etc. tend to outperform. This is generally the best phase for the equity markets. During the mid-cycle or peak phase when growth moderates but is still strong deep cyclicals such as energy and rate sensitives such as Banking etc. tend to outperform. During the late cycle or contraction phase when growth slows or turn narrow and valuations generally correct sectors such as FMCG, IT, Pharma etc. tend to outperform. Even during the downturn or slump phase when there is broad based slowdown in growth sectors such as FMCG, IT & Pharma tend to continue outperforming.

Given below are some past examples for a better understanding of how it works.

- During recovery phase of 2003-2007, there was strong recovery in domestic & global growth where sectors such as banking, capital goods, energy etc. performed well as the leveraging cycle, capital expenditure and infrastructure picked-up.
- During the late-cycle or contraction phase of 2012-13 where domestic growth was slowing down due to taper tantrum, sectors such as IT, Pharma & FMCG performed well.
- During the recent recovery cycle of 2022 post Covid-19, we have witnessed sectors such as Energy, Metals, Capital Goods etc. performed well.

It may be noted here that business cycle transitions are generally gradual and have many overlapping periods. Thus, the fund may be reasonably diversified across various industries and/or sectors by investing in stocks that are best levered to the stage of the business cycle and transition period.

The focus would be on stocks driven by long-term fundamentals. However, short term opportunities would also be seized, provided underlying values supports these opportunities.

The scheme may also invest in listed/unlisted and/or rated/unrated debt or money market securities, provided the investments are within the limits indicated in the asset allocation pattern and SEBI (MF) Regulations. Investment in unrated debt securities shall be made provided the prior approval of the Boards of both the AMC and the Trustee is in place.

The scheme may invest in another scheme of the Kotak Mahindra Mutual Fund or any other Mutual Fund without charging any fees, provided that aggregate inter scheme investment made by all schemes under the management of Kotak Mahindra Asset Management Company Limited or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of Kotak Mahindra Mutual Fund.

### IMPORTANT INFORMATION INSTRUCTIONS FOR ASBA MUTUAL FUND INVESTORS

**Background:** In its continuing endeavour to make the existing public issue process more efficient SEBI introduced a supplementary process of applying in public issues, viz: the "Applications Supported by Blocked Amount (ASBA)" process. Accordingly, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended have been amended for ASBA process. The salient features of circular no. SEBI/CFD/DIL/ASBA/1/2009/30/12 dated December 30, 2009 available on SEBI website for "Additional mode of payment through Applications Supported by Blocked Amount (hereinafter referred to as "ASBA") are mentioned below for understanding the ASBA process:

**1. Meaning of ASBA:** ASBA is an application for subscribing to a New Fund Offer (NFO), containing an authorisation to block the application money in a bank account.

**2. Self Certified Syndicate Bank (SCSB):** SCSB is a banker to an issue registered with the SEBI which offers the facility of applying through the ASBA process. The list of SCSBs will be displayed by SEBI on its website at [www.sebi.gov.in](http://www.sebi.gov.in) from time to time. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs displayed on SEBI's website. As on April 15, 2010, 27 Banks have been recognised as SCSBs. Investors maintaining their accounts in any of these Banks may approach one of the designated branches of these SCSBs for availing this facility. Further it may be noted that from time to time new banks register themselves as SCSBs who become eligible to provide these services and also the existing SCSBs designate additional branches that also provide this facility. An updated list of all the registered SCSBs, their controlling branches, contact details and details of their contact persons, a list of their designated branches which are providing such services is available on the website of SEBI at the address <http://www.sebi.gov.in>. Further these details are also available on the websites of the Stock Exchanges at <http://www.bseindia.com> and <http://www.nseindia.com>. Alternatively, investors may also contact the AMC, R&TA for information about the SCSBs or the ASBA process. These SCSBs are deemed to have entered into an agreement with the Issuer and shall be required to offer the ASBA facility to all its account holders for all issues to which ASBA process is applicable. A SCSB shall identify its Designated Branches (DBs) at which an ASBA bidder shall submit ASBA and shall also identify the Controlling Branch (CB), which shall act as a coordinating branch for the Registrar to the Issue, Stock Exchanges and Merchant Bankers. The SCSB, its DBs and CB shall continue to act as such, for all issues to which ASBA process is applicable. The SCSB may identify new DBs for the purpose of ASBA process and intimate details of the same to SEBI, after which SEBI will add the DB to the list of SCSBs maintained by it. The SCSB shall communicate the following details to Stock Exchanges for making it available on their respective websites. These details shall also be made available by the SCSB on its website: (i) Name and address of the SCSB (ii) Addresses of DBs and CB and other details such as telephone number, fax number and email ids. (iii) Name and contact details of a nodal officer at a senior level from the CB.

**3. Eligibility of Investors:** An Investor shall be eligible to apply through ASBA process, if he/she: (i) is a "Resident Retail Individual Investor, Non-Individual Investor, QIBs, Eligible NRIs applying on non-repatriation basis, Eligible NRIs applying on repatriation basis i.e. any investor, (ii) is applying through blocking of funds in a bank account with the SCSB; Such investors are hereinafter referred as "ASBA Investors".

**4. ASBA Facility in Brief:** Investor shall submit his Bid through an ASBA cum Application Form, either in physical or electronic mode, to the SCSB with whom the bank account of the ASBA Investor or bank account utilised by the ASBA Investor ("ASBA Account") is maintained. The SCSB shall block an amount equal to the NFO application Amount in the bank account specified in the ASBA cum Application Form, physical or electronic, on the basis of an authorisation to this effect given by the account holder at the time of submitting the Application. The Bid Amount shall remain blocked in the aforesaid ASBA Account until the Allotment in the New fund Offer and consequent transfer of the Application Amount against the allocated Units to the Issuer's account designated for this purpose, or until withdrawal/failure of the Offer or until withdrawal/rejection of the ASBA Application, as the case may be. The ASBA data shall thereafter be uploaded by the SCSB in the electronic IPO system of the Stock Exchanges. Once the Allotment is finalised, the R&TA to the NFO shall send an appropriate request to the Controlling Branch of the SCSB for unblocking the relevant bank accounts and for transferring the amount allocable to the successful ASBA Bidders to the AMC account designated for this purpose. In case of withdrawal/Rejection of the Offer, the R&TA to the Offer shall notify the SCSBs to unblock the blocked amount of the ASBA Bidders within one day from the day of receipt of such notification.

**5. Obligations of the AMC:** AMC shall ensure that adequate arrangements are made by the R&TA for the NFO to obtain information about all ASBAs and to treat these applications similar to non-ASBA applications while allotment of Units, as per the procedure specified in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Investors are requested to check with their respective banks about the availability of the ASBA facility.

#### Other Information for ASBA Investors:

2. SCSB shall give ASBA investors an acknowledgment for the receipt of ASBAs.

4. SCSB shall ensure that complaints of ASBA investors arising out of errors or delay in capturing of data, blocking or unblocking of bank accounts, etc. are satisfactorily redressed.
5. SCSB shall be liable for all its omissions and commissions in discharging responsibilities in the ASBA process.
6. R&TA to the NFO shall act as a nodal agency for redressing complaints of ASBA and non-ASBA investors, including providing guidance to ASBA investors regarding approaching the SCSB concerned.
